

I. Review

Last week we were in Psalms 9, and we looked at a number of good solid teachings and principles for our spiritual growth. We saw God doing his marvelous works through us. All of you should see the benefits of a life allowing God to use you. I showed you that when a man or woman gets saved there are three things that change about you.

- | | |
|----------------|--|
| 1.) Inner man | At Salvation something changed inside you. |
| 2.) Outer man | Because of salvation things are different now. |
| 3.) End of man | Because of salvation no longer going to hell. |

We also saw the marvel of works that God wants to do through a changed life, when you give him your whole heart. The real evidence of any man or woman's salvation will be the contrast of the way that their life was before they got saved and what they are now, after they are saved. Many people think that your real testimony is what you say, and of course that is not true. Rather, the evidence of how you live your life in the marvelous works of God. The Bible makes it clear that when a man or woman gets saved, they now become a new creature in Christ Jesus. Old things are passed away, all things are become new. We saw how real joy of the Lord will only come through God doing those marvelous works through us. Through the power of the word of God, we see that our enemy can never stand before us to be able to stop us.

You have heard me say this many times, life is about choices that we make. In time, those choices will define who we really are. America is very quickly defining who she really is as a nation. But God's people define who they really are by what they do with what God has given them, whether it be good or bad.

II. Psalms 9:5-20

Today, I want us to look at the rest of chapter 9. As your pastor I have a responsibility to tell you the things that Paul told his people. In 1 Thessalonians 5:1 Paul said, "*But of the times and the seasons brethren, ye have no need that I write unto you.*" Then he goes on and talks about the day of the Lord and the things that are going to happen. Today, I feel the need to be able to do that compared to where we are at here in Psalms 9:17-20. I want my people to be informed. I want you to understand not only what is going on around you, but why it is going on and where it started and where it is going.

5. Thou hast rebuked the heathen, thou hast destroyed the wicked, thou hast put out their name for ever and ever. 6. O thou enemy, destructions are come to a perpetual end: and thou hast destroyed cities; their memorial is perished with them. 7. But the LORD shall endure for ever: he hath prepared his throne for judgment.

8. *And he shall judge the world in righteousness, he shall minister judgment to the people in uprightness.* 9. *The LORD also will be a refuge for the oppressed, a refuge in times of trouble.* 10. *And they that know thy name will put their trust in thee: for thou, LORD, hast not forsaken them that seek thee.* 11. *Sing praises to the LORD, which dwelleth in Zion: declare among the people his doings.* 12. *When he maketh inquisition for blood, he remembereth them: he forgetteth not the cry of the humble.* 13. *Have mercy upon me, O LORD; consider my trouble [which I suffer] of them that hate me, thou that liftest me up from the gates of death:* 14. *That I may shew forth all thy praise in the gates of the daughter of Zion: I will rejoice in thy salvation.* 15. *The heathen are sunk down in the pit [that] they made: in the net which they hid is their own foot taken.* 16. *The LORD is known [by] the judgment [which] he executeth: the wicked is snared in the work of his own hands. Selah.*

17. *The wicked shall be turned into hell, [and] all the nations that forget God.* 18. *For the needy shall not alway be forgotten: the expectation of the poor shall [not] perish for ever.* 19. *Arise, O LORD; let not man prevail: let the heathen be judged in thy sight.* 20. *Put them in fear, O LORD: [that] the nations may know themselves [to be but] men. Selah.*

A quick glance down through this chapter, we see it is dealing with the second coming of Christ and the millennium, in its doctrinal context. In verse 5, it talks about the rebuke of the heathen and the destroying of the wicked. In verse 6, he talks about the end of the enemies of God and their cities being destroyed. In verse 7, he notes that God's throne shows up and the start of His government. Verses 5-7, all deal with the second coming of Christ. Verse 8-16, we see that this is dealing with the millennium. Christ is on the throne of His glory having subdued all the nations. He is now King of Kings and Lord of Lords. Verse 16 says "*The Lord is known by the judgment which he executeth: the wicked is snared in the work of his own hands*". Clearly bringing you down through this chapter from verse 5 to verse 16 showing you the end of the tribulation, the second coming and then God establishing His millennial throne. These verses lay out the doctrinal context and then he closes this chapter with verses 17-20. Here we find our message today.

III. What God Has Done in the Past, Present & Future; & How the Devil Moves to Counterfeit God's Plan.

A while back I did a message on the 18 steps down of America. We put that into a little pamphlet and people can get it in the bookstore. This would be part two of that only a little more in depth. In these last four verses we find one of the great unknown doctrines and teaching in all of the Bible. It is completely lost today! This will be the key to the importance of everything around us. I told you last week that history has three parts: past, present, and future. What you are going to see today is an in-depth understanding of that. **Hopefully when you leave here today, you will be able to better understand what God has done in the past, what He is doing now in the present, and what He is going to do into the future. At the same time, you will see how the devil counterfeited that and came up against that past, present and future.** At the end of the day, I want you to have a complete and total understanding of the circumstances around you. You know facts, wisdom and understanding. Facts are the facts of

something, wisdom is how you apply those facts. Any unsaved person can have facts and wisdom. But understanding in the Bible is reserved only for those who understand God's working and God's dealing through the word of God and through history. That is the only way you can have understanding.

IV. God's Systematic Theology

I want to draw your attention to verse 17. It says, "*The wicked shall be turned into hell and all the nations that forget God.*" In your Bible you have what I call **God's systematic theology**. A systematic theology book was put out by a guy named Chafer. His book was used in all the Bible colleges and many pastors got a hold of that book. It was called Chafer's Systematic Theology. It's about as worthless as it can be when it comes to understanding what God is doing in the Bible as anything you will ever get your hands on. Like most things that are worthless, it is held up today by men as something that is really great. You don't need Chafer's Systematic Theology and I will tell you why. God in His own word has built His own systematic theology. **You are much better off to get God's systematic theology than you are Chafer's!**

In your Bible you are going to find that it will be laid out around **seven judgments**. We are looking at one here in verse 17 where he says that the nations that forget God will be turned into hell. God is going to judge nations just as assuredly as He judges man. In your Bible as you go through this systematic theology, (we went through this in Bible Institute) you will find that the Bible is built around seven mysteries. It is written around seven baptisms and seven trees in the Garden of Eden. There are seven periods of church history and seven stages of spiritual growth and on and on it goes. There are probably two or three hundred of them. We are told that there are seven things that a New Testament Christian is not to be ignorant of. Yet I can tell you right now, these seven things are exactly what God's people are ignorant of and have no clue what they are.

❖ Seven Judgments

You are going to find that your Bible is written around seven judgments. The first three have to do with you and me. The **first** one is that you and I were judged as a sinner at Calvary's cross (Isaiah 53). The next judgment (**second**) has to do with you and I after we get saved. That is the fact that after you are saved, God no longer looks at you as a sinner. He now looks at you as His son. So, God doesn't deal with our sin the same way. This is one of the great teachings on eternal security. Once you get born again, you can't get unborn. The **third** one will be your judgment at the judgment seat of Christ. A simple way to remember this is:

- Sinner – Judged at Calvary as a sinner.
- Son - After you get saved God doesn't deal with you as a sinner but as His son.
- Servant- He will deal with you as a servant.

After the first three you will have the judgment of Israel, in the tribulation period (Psalms 48:11, Psalms 36:6, Psalms 105:7 and Jeremiah 1:16). The next one will be the judgment of the unsaved dead (Revelation 20:1). In 1 Corinthians 6:3 we find that we are going to judge angels.

V. Judgment of Nations - Any Nation that Forgets God

Finally, we have **the judgment of the nations**. We find it here in Psalms 9:17 that the wicked shall be turned into hell and all the nations that forget God. The definitive passage on the judgment of the nations is found in Matthew 25:31-46.

31. *When the Son of man shall come in his glory, and all the holy angels with him, then shall he sit upon the throne of his glory: (this is the second coming)*
32. *And before him shall be gathered all nations: and he shall separate them one from another, as a shepherd divideth [his] sheep from the goats: (This is a judgment of the nations when He comes back)*
33. *And he shall set the sheep on his right hand, but the goats on the left.*
34. *Then shall the King (Christ) say unto them on his right hand, Come, ye blessed of my Father, inherit the kingdom prepared for you from the foundation of the world:*
35. *For I was an hungred, and ye gave me meat: I was thirsty, and ye gave me drink: I was a stranger, and ye took me in:*
36. *Naked, and ye clothed me: I was sick, and ye visited me: I was in prison, and ye came unto me.*
37. *Then shall the righteous answer him, saying, Lord, when saw we thee an hungred, and fed [thee]? or thirsty, and gave [thee] drink?*
38. *When saw we thee a stranger, and took [thee] in? or naked, and clothed [thee]?*
39. *Or when saw we thee sick, or in prison, and came unto thee?*
40. *And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done [it] unto one of the least of these my brethren (nation of Israel), ye have done [it] unto me.*
41. *Then shall he say also unto them on the left hand, Depart from me, ye cursed, into everlasting fire, prepared for the devil and his angels:*
42. *For I was an hungred, and ye gave me no meat: I was thirsty, and ye gave me no drink:*
43. *I was a stranger, and ye took me not in: naked, and ye clothed me not: sick, and in prison, and ye visited me not.*
- (I was in a war and you withheld the ammunition I needed to win that war! That is not in there, but I am just going to put that in there for you!)**
44. *Then shall they also answer him, saying, Lord, when saw we thee an hungred, or athirst, or a stranger, or naked, or sick, or in prison, and did not minister unto thee?*
45. *Then shall he answer them, saying, Verily I say unto you, Inasmuch as ye did [it] not to one of the least of these (nation of Israel), ye did [it] not to me.*
46. *And these shall go away into everlasting punishment: but the righteous into life eternal.*

I want you to notice **this is the judgment of nations which is called the separation of the sheep and the goats**. The sheep being the ones that get everlasting life and the goats that don't help Israel and go into the lake of fire. This judgment takes place after the second coming.

Sometime at the beginning of the millennium. It is the judgment of the nations based on just two things in verse 40: 1. The word of God and 2. How you treated the nation of Israel.

This is based on all the way back to Genesis. 12:3 where he told Abraham, “*And I will bless them that bless thee, and curse him that curseth thee....*” This will also go along with Romans chapters 9-11 where it tells us as the church how we should view the nation of Israel, even after their rejection of Christ and after they crucified Him. **Here is the key! In verse 17 it tells us that any nation that forgets God will experience the judgment of God.** Here and now and at the second coming at the judgment of the nations. Along with this, you want to get the verse in Proverbs 14:34 which says, “*Righteousness exalteth a nation: but sin [is] a reproach to any people*”. You can't miss the connection of the people within the nation. Any nation that forgets God is going to be in trouble. Just as every man has had the witness of God in his life; “*That was the true Light, which lighteth every man that cometh into the world.* (John 1:9), so has the nations. Both of them are without excuse (Romans 1:20).

I want you to understand this today, so that no matter what level you are on spiritually, you can walk away with understanding past, present and future and how it fits into our world today in America. Let me show you this, beginning with a modern time of history. We won't worry about Israel in the Old Testament. Let's just take the last 2,000 years and show you how this develops and how it starts from past, present and future. I want you to go out the door this morning with understanding. I want to lay out for you the evidence that is so clear today, that every child of God should know. This is why Paul said, “*But of the times and the seasons, brethren, ye have no need that I write unto you*”(1 Thessalonians 5:1). God's people should know these things.

❖ The Dark Ages Middle Ages

After the crucifixion of Christ, we see the first four to five hundred years of the beginning of New Testament Christianity. We see around 400 AD the start of the Roman Catholic church with Constantine. Around 500 AD as the Roman Catholic church takes over the known world, (which was mostly Europe) it is called the Dark Ages. The Dark Ages was a thousand-year period from 500 to 1500 when the Roman Catholic church squelches out the light of the word of God in Europe. Hence it is called the Dark Ages. During the Dark Ages in spite of what Rome tries to do, you are going to find that God still has His witness. The witness is the contrast. Where in the Dark Ages you still have men and women who have the light of the word of God. So, there is a contrast during this thousand-year period of Bible believers who are willing to pay for what they believe in their own blood. Verses the Roman Catholic church who wants to kill them. It is a terrible time of persecution covered in **Fox's book of Martyr's, The Trail of Blood**, and other books. The nations in Europe, even though the Catholic church is suppressing everything. The nations of Europe are still being bathed in the gospel of God by the individual witnesses of Bible believing men during this time, despite being severely persecuted.

John Huss was a great Bible preacher in Czechoslovakia. At the height of his ministry almost everybody in Czechoslovakia was a born again believer. Even in the middle of the Dark Ages! The Roman Catholic church tried to wipe them out, tried to kill them. The more they tried to wipe them out and kill them, the more they spread out through Europe like melted butter on

popcorn. You saw Savonarola (Girolamo Savonarola) and Cathari, you saw the Waldensians, the Huguenots, the Paulicians. Europe was flooded with the gospel even though Rome had turned the lights out.

❖ The Reformation - Protestant Churches

By around 1500 when the reformers show up like Martin Luther, we see the breakout of what we call the Protestant churches. This will be the Lutheran's, the Presbyterian's, and a little bit later on, the Methodist's. The Greek and Russian Orthodox had already broken out and the Church of England had broken out. So these are what we call Protestant churches and these came out of Rome. I want you to understand that these are churches that one way or the other came out of the darkness of the Roman Empire and they set a new course in Europe of God's truth breaking the back of the Roman Catholic church.

❖ The Counter Reformation

Now understand this. None of this had anything to do with the true biblical line of Bible believers like you and me. They were still doing it in spite of the Reformation. The Reformation did nothing to help them. They were already doing the job, but God used the Reformation to take the grasp of the Roman Catholic church off of Europe. After the Reformation, you have the Lutheran church, and the Presbyterian church with John Knox. You had Luther with the Lutheran church, and you have the Church of England; it is all going to town. Then devil begins to put a plan together to bring all Europe back to the Roman Catholic church. In history this is called the **Counter Reformation, and the devil does this through higher education**. In other words, the devil changed tactics. He had just learned for a thousand years of trying to wipe out Christianity by murdering, butchering and killing them, only made Christianity stronger and better. Now he comes to the conclusion that if he really wants to stop them, he just needs to give them higher education and they will outgrow soul winning and being what God wants them to be.

The devil understood a great concept. The quicker you see this, the better off you will be, if you are going to try to put anything together in history. This is the key! He knows that he cannot change the reformers. Martin Luther is not coming back. Zwingli (Ulrick Zwingli) is not coming back; John Knox is not coming back. So, **what the devil does is he goes after the minds of the future generations of young men and women of Europe to radicalize them against God and the Bible**.

❖ Jesuits – the CIA of the Roman Catholic church – Ignatius of Loyola

Back around five hundred years before all this happened, there was a guy by the name of Ignatius of Loyola. He began a group of high level educated militant Catholics who became known as the Jesuits. The Jesuits are (for lack of a better description) the CIA of the Roman Catholic church. They are highly motivated educators and what they did was they went after the future generations of young men and women of Europe to radicalize them against God and the Bible. **They begin after the Reformation to infiltrate every secular university and school in Europe to destroy the knowledge of God**. Over the next two hundred years through their teaching comes a complete radicalization of young people's minds against God and the Bible.

❖ Age of Enlightenment – Renaissance Period

Now you begin to see the rise of what they called the German Rationalist Movement. You start to see the great philosophers and humanism. You begin to see secularism spread through Europe. You see men like Thomas Hobbes, George Berkely (a university in California is named after him). David Hume, Christian Wolff. Isaac Newton, Spinoza (Baruch Spinoza), Voltaire. A couple of weeks ago I talked to you about Voltaire. He said God made man in his image and then man returned the favor and made God in man's image. You have Kant (Immanuel Kant), Fischbach (Franck Fischback) and finally Nietzsche (Friedrich Nietzsche) which brings it full circle. Now after all of this infiltration and radicalization, Nietzsche gets up and claims to the world in Europe that God is dead. So through higher education the devil radicalized young minds of Europe and destroyed any knowledge of God.

This takes place between 1600 and 1900 which is the same time period that your King James Bible is coming out and going around the world three or four times. This is the devil countering that. Now if you look this up on the internet, you will find this period of time will be held up by the intellectuals as the greatest advancement of man. It is called the **Age of Enlightenment**. It is **also called the Renaissance Period**. The word renaissance simply means a rebirth of knowledge. This is called the **Age of Reason**. It is a complete erasing of any knowledge of God and His word in Europe. They did this through the secularism, philosophers and paganism that the Jesuits brought in to destroy what the Reformation had begun.

You will find **music follows the same pattern**. The early writers of music like Bach and Haydn (Franz Haydn), wrote music to glorify God. Then we move into the **Naturalistic Movement** with guys like Beethoven and that crowd, who bring the glory down to man. It is Romans chapter 1 again!

❖ Oxford Movement

You will see them move into the religious world in Europe. This is called the **Oxford Movement**. The Oxford Movement is when the Protestant churches began to develop their Bible universities and colleges to teach theology. Cambridge, Oxford and places like that. What the Jesuits did, is they infiltrated these Bible universities pretending to be Protestant wannabe clergymen. They graduated, took churches and used the church to bring that denomination back to Roman Catholicism. I don't care if you are a Church of England or a Lutheran. You can just sit back and watch one service and it is Roman Catholic all the way through it. Because they brought them back and today slowly over the next 200 years all Europe is now dead spiritually and have forgotten God. Today in Europe, there is absolutely no morality or spirituality there. There is no knowledge of God! In Europe it is okay to have a church and be a pastor and be an atheist. Again, the Bible believers held the line, but there is only a remnant of them today, much like here in America.

VI. A Study of Two Nations – England & America

The study of modern history and how we got in the mess we are in would not be complete without a quick study of **two nations**. One of them would be **England** and the other one is the **United States of America**. England was separated from the continent of Europe by the English Channel. She holds out a little bit longer and stays true to the King James Bible. She doesn't completely fall apart till around 1900 when Lord Balfour begins to get up and talk about the Balfour Declaration to give Israel the land of Jerusalem. England was going to do that, but around that time (1920's) the grand Mufti of Arabia showed up. He says to the Parliament, I hear you are going to give the land back to the Jew. I hear you have a Balfour Declaration put out by Lord Balfour, (who was a born-again man) that you will give the land back to the Jew because the Bible says that is their land. Let me tell you something. England is an island nation, and you depend on all of your resources, especially oil from the Middle East. You give that land back and you will not get another drop of oil out of the Middle East. You know what happened? Around 1920-22 England reneged on the Balfour Declaration and decided they were not going to give the land back to Israel. England today is the dustbin. It is a dumpster; it is completely destroyed. There is nothing in England that even resembles God other than a few holdouts like here, (remnants).

❖ America - Blessed by the King James Bible 1611 Authorized Version

Then we saw God moving over into America. America was a fresh start for Europeans. The pilgrims came in 1620 to Plymouth. Everybody on that boat either themselves or somebody in their family had suffered severe persecution by the Roman Catholic hierarchy. They were coming to America to a land where they could teach the Bible, preach the Bible, and train their children in the word of God without a church state set up. Without any fear of somebody knocking on their door in the middle of the night and hauling them off to an inquisition to murder them because they had a King James 1611 Authorized Version. That is why they came over. America as you know was founded on a King James Bible. The very Bible you hold in your lap today. **God's hand was on this nation in an incredible way!** We hear in the news today about the ivy league colleges up in the Boston area, Yale, Harvard, and Dartmouth. They are in complete disarray today. They are completely non-American and against everything in this country. But do you realize that back in the 1700's that Yale, and Dartmouth colleges were all started to train missionaries to the American Indians? My, my, how times have changed!

❖ The Decline of America

I want to show you how it changed. I don't want you to leave here today without understanding this. I don't want you to be uninformed of the times and the seasons I have no need to write unto you. You know I am not political, and I don't care who gets into office. But no matter who gets into office, it won't change a thing. The course is set. You got people out there that say make America great again! The only thing that made America great in the first place was a King James 1611 Authorized Version and you kicked it out.

In 1918 Irving Berlin wrote the song, God Bless America. God bless America, land that I love. Stand beside her and guide her, through the night with the light from above. The night being the church age and the light being the word of God which came down from heaven.

Now watch the decline of America. America from 1700 to 1900 experienced the hand of God in a unique way. The blessings by keeping the word of God and taking care of the nation of Israel. But America started her decline around 1900 and today just 124 years later it is all gone.

❖ The Jesuit System that Destroyed Europe, Now in America

In time, that same Jesuit system that destroyed Europe came into America and entered into the great universities to destroy the minds of our young people and radicalize them and destroy the future generations. Most people know about the War of Independence in 1776, us against the British. But before that you saw the devil try to take back America with a French and Indian war that nobody wants to talk about. It was France aligning with some Indians who didn't like us to try to bring this country back to Roman Catholicism. It got dangerously close to that. One of the great Catholics by the name of Lord Baltimore carved out a piece of land that is called Maryland today. We call it Maryland, but in reality it is Mary land. They tried to bring it back, but by the grace of God they didn't make it happen.

The Jesuits came into this country through New Orleans. Right now, across this country today there is probably five to eight hundred Jesuit schools across this country. Rockhurst College is a Jesuit school right here in Kansas City. Notice New Orleans, and New Hampshire and New Concord. They put a "new" in front of it because those are places that were over in Europe. When they came over here, they named the place as the same that is in Europe, but put "new" in front of it because that is now in America. So, we have New Orleans. Orleans, France is where the Jesuits were founded. Their best school, the most private school and the head of the Jesuit CIA is found in New Orleans, Loyola University. Loyola University is named after Loyola the founder of the Jesuits. In time the Jesuit system that destroyed Europe came into America and entered the great universities of the day. To destroy the minds of young people, to radicalize them both secular and religiously, through higher education. What you are seeing today in America is nothing more than what history will show you about what the devil accomplished in Europe. The only problem is men never learn the lessons of history; so they are doomed to repeat the lessons of history.

VII. Genesis 3 Where it All Started

The final act, the final movement that will lead to America with all the other nations who have forgot God being judged. Allow me to take you back. I would do a great injustice if I didn't take you back and show you fundamentally where it started. Let's go back to Genesis 3 where it all started. This has been the devil's plan for six thousand years and this is what he did in Europe and what he is doing in America.

Genesis 3:6 is where the devil comes to *Eve*. “*And when the woman saw that the tree [was] good for food, and that it [was] pleasant to the eyes, and a tree to be desired to make [one] wise, she took of the fruit thereof, and did eat, and gave also unto her husband with her; and he did eat.*”

➤ Lust of the Flesh

Verse 5 tells us that the devil told her that if she ate this, she would know everything. No woman can pass that up, it is human nature. The Bible says the woman saw that the devil’s fruit was good for food. You got to be kidding me, really? Did you ever read through there and see all the food that God prepared for them? They had everything they could ever want to eat, and it was by God and there it was, and it was great. **But she was willing to give all that up for one piece of fruit that she might know....** Incredible! She is looking at that piece of fruit that the devil’s holding up and she had to look out the window and see the whole countryside filled with food. But the devil says, *...this is the one you want....* If she had stuck with God’s fruit, we know that God’s fruit would have produced the right kind of fruit throughout the world. The devil’s fruit would lead to bearing the devil’s fruit that would destroy the world. He simply convinced her that the devil’s fruit was better than God’s fruit. So, **she traded all that God had for her for one piece of fruit. She got radicalized against what God had told them.** She is just like so many of God’s people today. You come to church you hear about the blessings of God. You hear about a life with God, about the inner man, the outer man, the marvelous works of God. And you are willing to trade all that for one piece of fruit! You actually think the devil’s serving of his fruit is better than the fruit of God and that is where she was. You see our problem is the same one back there in Genesis. In **1 John 2:16, this is called the lust of the flesh.**

➤ Lust of the Eyes

Then it says that the fruit that the devil offered her was pleasant to the eye. You have got to be kidding me! I mean, one piece of fruit! When they looked out and saw the beauty of the garden of God. How beautiful it was, perfect weather, sunshine, perfect temperature, and no bugs. I mean, no ants at your picnic. You could lay out under the stars at night and look at those things and say how beautiful they are and talk about that beauty. And the devil never told her his fruit is better to look at than all that God is going to give her. **You know what happened to Eve? She got radicalized against God. She forgot God in just that brief encounter. She forgot not only God, but she forgot what He said. In 1 John 2:16 this is called the lust of the eyes.**

➤ Pride of Life

Then here it comes, the devil says you eat my fruit, and it will make you wise. It will give you knowledge. Are you kidding me! They fellowshiped with God every day, they have the knowledge of God Almighty right in front of them! The devil said that knowledge is not good enough I am going to give you---higher knowledge. Like Ezekiel 28 and Isaiah 14:13, “*...I will exalt my throne above the stars of God...*” and get higher than Him.

My wisdom will make you wise in the world, wiser than God. So, in the secular world when you get my education you can tell everybody there is no God. And in the religious world when you get my higher education, then you tell them there is no Bible. And the devil goes out the door laughing. **In 1 John 2:16 this is the pride of life.** So, man dumps God and buys into higher education, higher than God.

This is how it all started and there it is! The devil takes the knowledge of God from them through higher education—his! The knowledge they got from God every day the devil told them that is not good enough I got more knowledge for you that God never gave you. Eve says I got to have that!! And **they destroyed not only themselves in their relationship with God, but the plan of God. So, it is today. The nations that forget God!**

VIII. Communism, Fascism and Philosophy in Europe

Just go back for a moment and look at the history of Europe in the last thousand years. Every dictator, every monarch, every king, and every queen who tried to run the world, murdered millions of people. Conquered other lands, killed as many as they could to set themselves up. Every one of them was educated by one of the European secular universities and radicalized.

Out of this comes **two government systems you see in the last 1,000 years, fascism and communism.** Adolf Hitler got the idea of the Third Reich from Wilhelm, who had the Second Reich. Who got it from the First Reich, which was the Holy Roman Empire. We see every dictator, every monarch, Bloody Mary, Napoleon, Kaiser Wilhelm, Mussolini, Tito, Franco, Frederick the Great, Hitler, Lenin, Stalin.....they all were radicalized through that higher education system. Most of them through the religious universities, because most of them studied to be priests. Learning the lessons from history!

In the book of Ecclesiastes, you have all the different forms of government and philosophies that man comes up with in life. In Proverbs 19:21 where it says, *“There are many devices in a man's heart; nevertheless the counsel of the LORD, that shall stand”* this is what he is talking about. They came out of Europe from 1500-1900 and you are told that they are all vanity and are all worthless. In Psalms 9:17 it tells us that *“The wicked shall be turned into hell, [and] all the nations that forget God.”*

IX. How America Forgot God

Let me show you how America has forgotten God. Again, Proverbs 14:34 *“Righteousness exalteth a nation: but sin is a reproach to any people.”* Let's look at America, fast today on her way to God's final judgment. The pilgrims came over in 1620 and by 1730 the colonies were established. They are moving forward and by 1730-1780 we have already begun to see it move from Europe into America through what we call **Unitarianism**. That is not the unity that we have out here in Lee's Summit today. That is a whole different system. Unitarianism began to come out of Europe, out of higher education and creep into America.

❖ Seven Great Awakenings in America

God put across America what we know as **seven great awakenings** from the 1700's up to the 1950's. Seven periods in history where God sent revival to quell and keep at bay, what the devil was trying to do through the Jesuits. **Unitarianism** began to come over and God raised up George Whitfield and Jonathan Edwards. They brought about the first great awakening to keep America tied into the word of God. It was through the higher education system that superseded God's word. Just like with Adam and Eve in Genesis 3. Both from a secular form of it and a religious form of it.

❖ Three Main Baptist Groups in Decline

Today we see America in decline. By the 1950's America has been over 50 years without a Bible. **America officially dumped the King James Bible in 1888 down in Florida.** Along with that, the educational system in America had begun to radicalize both secular and religious. **By the time you get to the 1920's the three main Baptist groups in this country are completely shot.** The Southern Baptist Convention totally apostate and in a mess. They believe nothing about the Bible anymore. The American Baptist have a church down in Florida that has a statue of Christ, Buddha, and Confucius in the lobby. The GRB (General Association of Regular Baptists) is also in a mess. We see not only were the religious groups are torn up, but we also saw it continuing on in the secular universities. Now they are going to work on radicalizing both religiously and in the secular world, the young minds of this country.

❖ Vietnam War

In 1955 to 1975 the **Vietnam War** came and with it the anti-war protests. Most of you were not born in this time period. I was in the Army at this point in time 1969-1970. The protests about the war in Vietnam all started on college campuses. Communists had moved into this country through the educational system and had been tearing the minds up, radicalizing the youth across this country. They were burning school buildings, burning American flags, burning their draft cards. They were heading to Canada, so they didn't have to serve in the military. They were doing everything they could. The 1968 Democratic Convention was in Chicago, and it was an absolute riot. They just about tore the place apart.

You know what? They are going to have the Democratic party meeting in Chicago again this year. Watch what is going to happen this year. There is a book in the bookstore called "**Vietnam, Why Did We Go?**" All across this country, if you were a soldier and you wore your uniform at the airport, they spit on you. They tried to take over military bases. I was stationed at Fort Devens at that time. What happened at Kent State University, on May 4, 1970, was they called out the National Guard. They did a dumb thing back then because if you were in the National Guard they actually gave you live ammunition. You don't get live ammunition today; you get harsh language. So, these guys had their M1's locked and loaded. There were about nine or ten of them against the crowd of over 2,000 protesters. They are coming after the National Guard and screaming and yelling. They are burning American flags and saying threatening things to these guys. These guys tried to hold them off and they got to a little round

hill and the crowd kept coming. Then somebody said “fire” and four students were killed. Immediately the liberal press, the communist press and all the people in the liberal universities called it the Kent State Massacre.

Back then if you were a soldier, you were a murderer and a baby killer. Men who gave their lives in Vietnam! I remember because I played taps for them. They would come back in their caskets and people would line the streets with the filthiest gestures that you could ever imagine. All against the war in Vietnam.

❖ Radicalization Through Secular Education & Religious Education

Where did it start? It started with higher education with a Jesuit system that started in Europe, that infiltrated into America. That system gave the idea to forget God, and they did. America’s young people were radicalized against America and the government, through the education system. College professors and the communistic Jesuit movement went into the professorship of colleges and that is where it was destroyed. Just like it is today. They got radicalized through secular education and religious education. Where secular education took God from them, religious education took the Bible from them. The devil has worked for 50 years, slowly destroying America’s youth and turned them against God and their country.

❖ The Infiltration of Islam

Fast forward to today! From 1950 on, those next 50 years showed us how the devil works by infiltrating Islam into our higher education. This will be Revelation 6:6 *And I heard a voice in the midst of the four beasts say, A measure of wheat for a penny, and three measures of barley for a penny; and [see] thou hurt not the oil and the wine.* That unknown verse that nobody can figure out right in the tribulation where he simply says “**hurt not the wine –Roman Catholic or the oil—there is the Muslims.** There is a connection the devil uses between these two. When communism was what the devil needed then he put the communist in. Today communism is pretty much out of the way, the devil brings in the Muslims. You are going to find every college that is protesting today is given millions of dollars every year by the Muslim nations over in the Middle East. They own the colleges. This is why thousands of radical Muslims are allowed into the American educational system. We bring them over and put them into those colleges. Just the other day, Biden has said that he is going to allow some Palestinians from Gaza to come to the United States as refugees to get a good education.

❖ Current Leadership in America

Let’s talk for a moment about the leadership of our country. Remember I am not political. But you need to understand this, **the leaders of our country today were the radical left from the Vietnam War.** Back then they hated our country for going to war. They were socialists and liberal Democrats. There were people like Bernie Sanders, who was a socialist, the Clinton’s, Obama and Biden. How about John Kerry. He was the Secretary of State (2013-2017). He was in the Navy in the Vietnam War. When he came back, he became radicalized against America and the war and joined a peace movement that went to the White House. He took his medals off and threw them back at the White House. John Kerry disavowed his county and yet he was the

Secretary of State. The leaders today are that radical crowd back in the Vietnam War that hated our country then and now. That is why they hate everything to do with any decency and reverence of what we know a country should be. God and the Bible. Nobody gets it, nobody understands it. It has been a slow process. The devil took his time, he waited and watched and raised up the right people, got them in the right place. Today, America is a sleeping giant. She is like an iceberg. It looks like this little radical movement is just the tip of the iceberg. But you know within the iceberg, only 10% is on the top, 90% is underneath the water. That is where the real problem is today.

X. Final Phase – The Demise of America

Let me talk about the final phase. In 1948 we know that Israel became a nation. Underground all this time the devil and his crew work to undermine this country. To get them to turn against this country, God and its people, and to forget who God is. You see it today, learning from history. What you are seeing in America today at colleges against the nation of Israel, is history repeating itself from 1935 to 1945. It began on November 9, 1938. In the history books it is called the **Kristallnacht**. In English it is the “*night of the broken glass*”. It is the night that Nazis went all through Europe in Germany and broke out the windows of every Jewish building. They wrote the Star of David on those buildings and made the Jews wear a star. They put signs up that no German was to buy or sell or have anything to do with a Jew. In Germany, the kids in school were shown pictures of thousands of rats running up and down the streets and they were told these are Jews. In the colleges they took Jewish kids and Aryan kids and measured their heads from their chin to show the difference from a Jewish kid to an Aryan kid. The Aryans were superior. That was higher education in Germany in 1938.

❖ Antisemitism in America

Today, you go over to Yale, Dartmouth, or 400 colleges across this county; and they are burning the American flag. They are telling the Jews to go back to the ovens. They are shouting guillotine, guillotine, cut their heads off (Revelation 20:4). They cry “from the river to the sea”. **They are calling for the complete destruction of Israel, the Jews and America.** America is now being used by the devil to set up the second Holocaust, that is coming to the nation of Israel. This time the difference is it’s going to end up with Psalms 9:17 and the second coming of Christ, and “*the wicked shall be turned into hell and all the nations that forget God.*” In 1935 to 1945 with Adolf Hitler, that was just a dress rehearsal for what you are seeing today. But everybody missed it. **America today is facing God’s judgment because of two things: from 1900-2023 she has rejected the word of God--the King James 1611 Authorized Version.** For 123 years America has had no Bible. Today we are seeing **the rejection of God’s people, the nation of Israel.**

The liberals in our government regardless of democrat, republican or independent are afraid of the Muslim Palestine movement in this country. The Muslims slowly came into this country and now will drive the political landscape against this nation’s policy regarding Israel. I told you that the 1968 election was a disaster over the Vietnam War and the coming 2024 Democratic convention in Chicago is going to be the same thing. They are already preparing for the Muslim

crowds to take apart that convention. The Biden administration in Washington is totally up against it. Because now we see the political pressure. Biden is coming to the place where at first when Hamas butchered thousands of Israelis and raped and tortured men, women and children, he was against Hamas. Now Biden is saying to Israel, if you continue this war, we are not going to send you any more armament. Where does that come from? I will tell you where it comes from. Somebody's has his ear saying, if you want to be president again you better start kissing some Muslim booty. You better start giving these guys what they want. Then on top of that we have the squad who have infiltrated into our own government. They are putting pressure on him and this administration to cut the Jew loose. They are calling for no more support for the Jews. They are doing exactly what most of God's people do when they get out of fellowship with God, they are blaming the good guys and calling them bad guys. Incredible! Our nation and its leadership have been radicalized against God. Our young minds for four or five generations now have been radicalized against God and this country.

Sometime this afternoon read Job 21-22. It will show you the youth in this country today. But it is talking about the youth in Noah's day. And as it was in the days of Noah, so shall it be in the coming of the son of man.

XI. The Devil Radicalized While We Failed to Evangelize

The last four verses of Psalms 9:17-20

17. The wicked shall be turned into hell, [and] all the nations that forget God.
*18. For the **needy shall not alway be forgotten**: the expectation of the **poor shall [not] perish for ever**.*
*19. **Arise, O LORD; let not man prevail: let the heathen be judged in thy sight.***
20. Put them in fear; O LORD: [that] the nations may know themselves [to be but] men. Selah.

Look at verse 17, we already know and have preached on it, God's coming judgment to America. Verse 18, the poor and the needy will be the Jew now and in the tribulation period, He is going to take care of them. Verse 19, let no man prevail. The nations against the Jew, they won't prevail. Look at verse 19, Arise O LORD, there is your second coming. Again verse 19, let the heathen be judged in thy sight. There is the judgment of the nations at the second coming. Verse 20, Put them in fear O LORD that the nations may know themselves to be but men. What you are seeing in America today has been going on for centuries. But this time the final phase of the devil's plan is to destroy God's plan by exalting man to be God. Radicalize man to forget God. And for America to no longer support the nation of Israel. The last country that was standing by them.

Nobody sees it! Not CBS, NBC, or Fox News. Not pastors or teachers all throughout churches. The devil always has masterfully camouflaged his plan. A man without understanding, (a Bible) saved, or lost gets caught up in it. In Job 41:12 God tells us “*I will not conceal (devil) his parts, nor his power, nor his comely proportion.*”

- God won't conceal his parts The men he has used.
- God won't conceal his power The nations he has used.
- God won't conceal his comely proportion The churches that he has used.

But they are only revealed through a King James 1611 Authorized Version. The hated word of God.

I listened to a TV commentator this week talking about all the unrest on the college campuses. It was amazing to see how far out of touch they are with everything. They can't put two and two together with history. They can't look at what is going on and figure it out. This guy said I don't understand it, how did our young people become so radicalized. He had no answer. The panel looked around and didn't have any answers. Why? Let me answer that. I don't have a PhD, or doctor degree, but let me tell you what the problem is. **The devil radicalized them because mom and dad and pastors and churches failed to evangelize them.** Parents never gave their kids a solid foundation in the Bible. You send them off to one of these secular universities or one of these godless perverted Bible colleges and they got radicalized. They came back thinking there was no God and believing that there is no Bible. They have forgotten God just like their parents and the leaders of this country. Now the wicked and this nation will be turned into hell.

There is one last thing I want to say here, and I want you to notice that it says *the wicked shall be turned into hell*. It didn't say the wicked will be cast into hell. It doesn't say the wicked will be thrown into hell. It said the wicked will turned into hell. **That is because those nations once had God, they had the truth, and they through a radicalization turned against Him.**

XII. Summary

That is Psalms 9:5-20 and that will fit into the three aspects of history and God's plan, past, present, and future. Through a King James Bible you will get understanding about the devils three aspects of getting nations to forget God, his parts, power, and his comely proportion. How the devil used his two main cohorts, Roman Catholicism which produced communism, and then Muhammadanism, (the Muslim world) after 1948 to bring about the demise of the nation of Israel. Make no mistake this is a Muslim Catholic alliance against Israel and America. The wine and the oil.

In a practical sense, parents, you don't want to miss the importance of your kids being up here singing today. Because the devil is after the minds of your children. Your children are the future of this country. They are certainly the future of our church. The devil wants to go after them to radicalize them against you, God, the word of God and this church. In other words, any authority. Most parents are just as stupid as the leaders of this country and that is why so many of them are going to lose their kids. We can't change the course of this country, but you still can change the course of your children. As a parent you need to use every tool available to guard the

minds of your children. What you see in this church through the teachers and the people training them up in concert with you are the tools available to make sure your child does not get radicalized in their thinking. This is the right size for a church. As individuals you can get everything you personally need, and you won't get lost in the crowd. Your children can get one-on-one everything they need, and nobody gets lost in the crowd. It is so important to have them attend camp. It is important for them to see in your life the things that they need to see so that they never become radicalized like this country. We aren't going to change this country, but you can change your kids. But it is going to start with you.

Now you see how it goes all the way back to the beginning of the garden of God. The devil said oh no, no, look at this, it is good to look at and it tastes really good. And it is going to make you wise.....that is all they had to hear. And the devil has been doing it ever since!
